

UNIVERSITY OF WISCONSIN

AAE Visiting International Student Program

AAE/VISP offers international students the opportunity to take classes with top faculty in applied economics in the AAE MS program. After their first year as a non-degree visiting student, VISP students can apply to the Master of Science Professional Option (MSPO) graduate degree program.

Why choose Wisconsin?

UW-Madison is consistently ranked among the best universities in the world!

Why choose AAE?

AAE is the first and one of the best applied economics programs in the US! The AAE MS offers a combination of data analysis, quantitative and applied economic tools, and professional development!
